Address: 131-B, Road-21, Mohakhali DOHS, Dhaka

Mobile No: 01750787467

Email: chowdhury.azmain.faik@gmail.com

Career Objective:

Looking for hard and challenging job where I will have the scope to utilize my potentiality, adaptability and skill to do something innovative and from where I will be able to enhance my knowledge

Work Experience:

1. Global Brand Private Limited

Associate Solutions Architect

(1st June, 2023 – Continuing)

Company Location: 19/3, West Panthapath Dhanmondi, Dhaka-1205

Department: Solutions Architecture & Bid Management (SABiM)

Duties/Responsibilities:

- Analyzing the company's current technological setup and identifying ways to improve by choosing the best option.
- Responsible for supporting the adoption of an architectural and standards approach as well as the formation of an IT architectural practice.
- Organizing the processes involved in the creation, design, and application of solutions.
- Establishing the vision and requirements for the solution, suggesting potential options (which may include RFIs, RFPs, or prototype development), choosing the most suitable solution, and creating a roadmap for the chosen solution are all steps in the process of finding solutions to business challenges.
- Communicates the architecture to the stakeholders and collaborates and coordinates with existing domain architects in the formalization and adoption of IT standards and procedures.
- Directly assisting in the creation of a program for solutions architecture that includes project portfolios and departmental roadmaps for IT systems architecture.
- Ensuring solutions not only suitable for the specific purpose but also closely align with the standards guidelines of technology solutions.
- Developing and putting into practice solutions that further cut down on the amount of time reactive work takes.
- Providing analysis of security protection technologies according to the needs.
